I understand that photos or video (digital media) may be recorded at an MGAA event and that it is impossible for MGAA to control who is included in that recording. Digital media that includes me may be published on the MGAA website and in marketing without my permission, and that the MGAA does not assume responsibility if I had requested to be excluded. If that occurs, I can request MGAA to remove the content that includes my picture.

A condition of active membership with the MGAA is to volunteer my skills and knowledge as a Master Gardener in the community each year; completing the Volunteer Hours Summary Form and submitting it to volunteerhours@mgaab.org after December 31st of each year I am a member of the MGAA.
